

YOTEL, Heathrow shortlisted for the Hotel Cateys 'Team Of The Year' award

London, UK – 5 August 2008: YOTEL Heathrow's front of house team have been recognised for their ongoing efforts and dedication towards excellent customer service by being shortlisted for the Hotel Cateys' 'Team Of The Year' award 2008.

The awards, organised by *Caterer magazine* have been specially designed to allow hoteliers to celebrate the achievements of their staff and give them the recognition they deserve. Contenders for the Hotel Cateys have been nominated, selected and recognized by judging panels consisting of well respected industry peers.

Since its opening in December 2007, YOTEL Heathrow has enjoyed a profitable year with occupancy rates of 200%. YOTEL is the antithesis to the manic and often stressful airport environment offering guests a haven of calm and quiet with luxury bedding, rejuvenating power showers, relaxing mood lighting, practical work station and free WiFi. A unique alternative to the drab, airport hotel offering, guests have been quick to embrace the convenient location, funky décor (state of the art gadgetry) simple booking system (www.yotel.com) and excellent customer service.

Nigel Buchanan, YOTEL's Head of Operations comments: "We're thrilled to have been shortlisted for the award, as it is such a tribute to the team's hard work. We strive to make sure a stay at YOTEL is as relaxing and stress free as possible."

YOTEL Heathrow is conveniently situated on the mezzanine level inside Terminal 4. For more information or to book, log onto www.yotel.com

The 2008 Hotel Cateys will be presented at an awards ceremony on Friday 7 November at the Royal Lancaster Hotel in London.
